

THREE TYPES OF HEAT TRANSFER

CONVECTION, RADIATION, AND CONDUCTION

DUE _____

We have been learning about different metals and minerals in Science.

For homework, you will go to <http://mrsswaffordcomputer.weebly.com> and click on “Three Transfers of Heat” under “Subjects” and “Science”. You will complete a few slides to learn about how heat transfers.

You will need a pencil and piece of paper. You will answer a few questions from the last page in the presentation. Bring your answers to class.

COMPLETE THE QUIZ INDEPENDENTLY. The due date is above.

In addition, you will complete a web quest. Please follow the directions in the web quest. You will be completing steps 1-10 ONLY.

If you want an extra 100 points as a test grade in Science, you may complete #11-13. It will be due one week from the date above.
